

## Rhinology Bowl

Rhinology World 2009 is proud to present the resident “Rhinology Bowl” as part the four day meeting. This interactive knowledge-bowl, “Jeopardy” style competition will feature resident teams from around the U.S. and the world, entered by some of the best Otorhinolaryngology Residency Programs.

Teams will consist of two (2) residents, with one alternate permitted. Only two residents per team will complete in any one match—no substitution will be allowed during a match round. Any post graduate year resident is allowed. An individual who has graduated from the residency program is not permitted to register. A residency program may enter more than one team.

The competition format consists of NCAA-March Madness-style brackets divided into regions. Questions will be multiple choice, covering “Medical and surgical management of all rhinology—from the tip of the nose through the skull base.”

Competition schedules will be posted onsite. Be sure to stop up to Horizons “Rooftop” Ballroom Thursday through Saturday to cheer on your favorite team! Dr. Kevin Welch (Rhinology World’s answer to Alex Trebek!) will be hosting, with some of our most distinguished faculty reading the questions. The Rhinology Bowl Championship will be held on Sunday at 12:00 Noon in Liberty Ballroom AB.

Cash prizes will be awarded to the winning teams:

- 1st Place: \$5000
- 2nd Place: \$3000
- 3rd Place: \$2000
- 4th Place: \$1000
